

# ASSESSMENT REPORT

K. Sri Narasimha Sudanva — 06-Dec-2025

## SUMMARY

Total Score: 478 / 660

IQ %: 72.42%

Status: Submitted

## RECOMMENDATIONS

### Personal care

- Daily living routines training
- Grooming checklist
- Safety awareness training

### Communication

- Picture-based communication practice
- Vocabulary building exercises

### SocialEmotional

- Group tasks & role play
- Behaviour modeling

### Cognitive

- Memory & reasoning games
- Sorting & puzzles

### Motor

- Fine motor therapy
- Gross motor movement activities

### Work academics

- Money & time concept training
- Functional literacy worksheets

### Sex education

- Personal boundaries & hygiene
- Safe/unsafe touch awareness

### Self advocacy

- Decision-making practice
- Leadership & self-expression tasks

### Speech

- Speech therapy weekly
- Articulation exercises

### Social

- Group activities
- Peer interaction support

### Behavior

- Behavioural therapy
- Reinforcement programs

## SECTION BREAKDOWN

### **Personal Care & Safety Skills**

Question	Score	Comments
Uses toilet appropriately at home	0	
Uses toilet appropriately at public place	0	
Brushes teeth independently	0	
Follows eating routines (Breakfast-Lunch-Dinner)	0
